Sunny Barn Floorplan

Sunny Barn Gardens, Land & Outbuildings

Sunny Barn is entered via double wooden five bar gates from Alltybella Road to a large tarmac parking area. To the South of the property is a double garage, benefitting from two sets of double doors and a pedestrian door to the side. Internally there is light, power and water, including plumbing for a washing machine and tumble dryer, making for a useful utility area.

To the East of Sunny Barn is a good sized enclosed Dutch Barn. The barn has a number of entrances and a pedestrian door from the parking area. Internally there is a WC, power, light and water, along with a first floor providing additional storage. The barn has potential for a number of uses, as a workshop, storage or stabling.

From the tarmac parking area there is a stone wall with planting borders and a pedestrian gate to the rear garden. This is laid mostly to lawn. To the West side of Sunny Barn there is vegetable garden, with a number of beds and a gate back to the lane at the front.

Sunny Barn overlooks its land, which extends to approximately 13 acres. There is access from a five bar gate through the garden along with a gate from the front road. Additionally there is a pedestrian access alongside the Dutch Barn. The land is currently divided into two large paddocks, which gently slope from either side to the valley in front of Sunny Barn. To the eastern edge there is a small dingle with a wooded area and lightly running stream. There is mains water supply to a trough in one of the paddocks.
